Sir:

All pending claims in this case have been allowed. In the process of reviewing the allowed claims, an error in claim numbering was detected and the Examiner detected a typographical error in claim 18, where certain language was inadvertently omitted in the last Amendment entered March 8, 2004. In the Notice of Allowance, claim 17 was incorrectly indicated as allowed when it had been cancelled by amendment on March 8, 2004. Accordingly, Applicants file this Amendment After Allowance pursuant to 37 CFR 1.312 to submit corrections to the claims. This amendment merely corrects errors and does not add any new matter and does not affect the scope of the claims as is
